2009/2010 Seaweed Workshops

The Sapphire Coast Marine Discovery Centre, Elgin Associates and The Royal Botanic Gardens Trust, invite you to discover the amazing diversity of seaweeds found on the Sapphire Coast. Participate in one of four workshops facilitated by world-renowned experts in their field.

These FREE workshops will cover...

Seaweed identification
Pressing and preserving seaweeds
The structure, function and importance of seaweeds

Saturday 21 November 2009

Sapphire Coast Marine Discovery Centre
Eden, from 10am—1pm

Sunday 22 November 2009

Sapphire Coast Marine Discovery Centre
Eden, from 10am—1pm

Saturday 6 February 2010

Sapphire Coast Marine Discovery Centre
