- Batemans Bay High school visit to the centre (8/8/13) year 7-10 for Worming Around and Inside a Fish – Sheree
- Towamba outreach (9/8/13) Yr 4 -6 for Inside a Fish

National Science Week

- Sat 10/8/13 - Fish dissection at the Bournda Science
- Mon 12/8/13 – Brain Break Morning Tea
- Tues 13/8/13 – Bega High outreach – Murder in the Depths, year 7-10, 3 programs
- Wed 14/8/13 – Narooma High outreach – Murder in the Depths, year 7-10, 3 programs
- Thurs 15/8/13 – Ulladulla High outreach – Murder in the Depths, year 7-10, 3 programs
- Fri 16/8/13 – Trivia Night at the Merimbula RSL

Other work

- Preparations for National Science Week including preparing materials for the school workshops and trivia night.
- I was away on teaching placement from August 18 – September 16

Issues/concerns

- I am wondering about the possibility of having a casual staff member for the summer school holidays. Can this be discussed. I think if we want to run the rocky shore ramble programs than it will be necessary.
