# Murder in the Depths

**CONFIDENTIAL**

## **HELP THE SAPPHIRE COAST MARINE DISCOVERY CENTRE SOLVE THIS MARINE MURDER MYSTERY.**

**Murder in the Depths** is a one hour hands-on marine science outreach program where students participate in a variety of experiments and activities to solve a murder mystery. The program showcases the variety of marine sciences available, and inspires students to appreciate science and the role it can play in understanding the marine environment.

The program is suitable for students in years 5 - 12 and can be tailored to suit your needs.

The program will cover topics such as:

- Marine chemistry
- Oceanography
- Marine biology
- Geology

Cost: \$200 per 1 hour session

Numbers: 10 – 30 students per session
