

Southern NSW Shorebird Workshops

Two days of all you ever wanted to know about migratory and beach-nesting shorebirds

6-7th March 2014

Thursday 6th March: A day of indoor presentations about migratory and resident shorebirds from BirdLife Australia's Shorebirds 2020 and Beach-nesting Birds project managers, and Amy Harris from NSW NPWS. Hear about the feats of shorebird migration, the birds' amazing adaptations and participate in a quiz on your identification skills. Learn all about the challenges facing birds dependent on coastal habitats, interpreting the behaviours of the birds, and the conservation efforts occurring around Australia including recent research findings.

When: 9:30am – 4:00pm

Where: Sapphire Coast Marine Discovery Centre, 253 Imlay St, Eden

Cost: \$10 per person, \$5 for Associate Members and Students

*Morning and afternoon tea provided
BYO lunch*

Friday 7th March: Join BirdLife Australia staff for a day on the coast to put your shorebird identification skills into action and participate in the summer count, plus to visit some important breeding sites for beach-nesting shorebirds.

When: 9:30am – 4:00pm

Where: Meet carpark, Lake Curalo, Eden

What to bring: Binoculars, a scope if you have one, sturdy footwear, water bottle, lunch, sun-smart gear

RSVP by 26th February to:

Sapphire Coast MDC, 02 6496 1699
