

Panboola *Bioblitz*

May 16th (Fri.) & 17th (Sat.) 2014

BASECAMP at the **Panboola Centre**

WHAT IS A BIOBLITZ?

A bioblitz a fun event that comprises a group of scientists, naturalists, “citizen scientists” and other members of the public working together to **discover, identify** and **record** as many kinds of plants, animals, algae and fungi within our chosen area.

WE WANT YOU

Our *Bioblitz* is a race to discover as many species of wildlife as possible around Panboola in 30 hours .

AtlaNat (Atlas Naturalists)

Individual searchers, survey leader assistants, identification aids, data recording trainers, computer management and data inputters.

Event Volunteers

Meeters, greeters and logistics on the day, local knowledge a plus, volunteer admin, guides to get to survey sites, event photographers – still and video, minibus drivers, refreshment assistants, IT & web support.

Atlas of Life in the Coastal Wilderness AND Panboola
